

**ASSOCIATE VETERINARIAN LARGE/MIXED ANIMAL
CENTRAL KANSAS**

Hillsboro Animal Clinic is seeking an associate veterinarian to join our growing mixed animal practice in Central Kansas. We are located in the center of Beef Production country, but also strive to meet the needs of our small animal and equine clients of the surrounding rural communities. This is truly a mixed animal practice and the case load of this position is open to meeting the interests and strengths of the applicant. Applicants need to possess strong communication skills, an energetic attitude, and a passion for progressive veterinary medicine. Salary is negotiable \$60-100K with a competitive benefits package as well as emergency duties that will be compensated fairly.

New graduates are encouraged to apply as we are committed to providing mentorship and experience that is second to none. This is also an opportunity for an experienced veterinarian looking for a long term business to be involved in with the potential of partnership.

Please contact Dr. Jessica Winter at 620-218-3790 or drjessw@hillsboroac.com. I can promise that this will be a practice and an opportunity that will help you accomplish many of your goals and aspirations!
